EKA MOBILITY'S ENVIRONMENTALLY CONSCIOUS MOBILITY SOLUTIONS

EKA Mobility's Environmentally Conscious Mobility Solutions with Rohit Srivastava

In a recent Accurub magazine feature, Rohit Srivastava, Chief Growth Officer of EKA Mobility, highlighted the company's deep commitment to sustainable mobility. EKA's approach as a full-stack electric vehicle (EV) manufacturer embodies a vision to reshape transportation with eco-friendly solutions.

Through EKA's comprehensive fleet management services, clients experience reduced total ownership costs and optimized operational performance, making sustainable choices even more accessible.

EKA bullish on opportunities in electric commercial vehicle space

BE SMART, GO ELECTRIC

EKA bullish on opportunities in electric commercial vehicle space

With a \$100 million investment, EKA is expanding its product lineup, manufacturing capabilities, and market reach. Supported by strategic partnerships with VDL Groep and Mitsui & Co., EKA is adopting a 'Smart Lean Factories' model to efficiently scale electric buses and cargo vehicles across the commercial sector.

India's only integrated commercial vehicle seating, interiors & conversion company that offers end-to-end solutions for commercial vehicle OEMs across ICE & EV spaces.

India's no. 1 company for retail store fixtures and specialised solutions that deliver the best customer experience at every touch point to grow a business' retail footprint.

A not-for-profit organisation that promotes and supports Indian entrepreneurs by connecting them to investors, startups, and corporates in USA, Israel, South Africa, Middle East and Russia.

A turnkey production systems supplier to the automotive industry for production systems, automated vehicles, parking systems, contract manufacturing and assembly, and special products
